Up to **TEN** surnames (maximum), together with your name and contact details, will be published, with your permission, in the Journal and added to the Society's database. Please list these names on this form. If, at a later stage, you wish to update your Interests List, please submit these to the Membership Secretary clearly marked 'Updates - for publication'. You may also want to consider adding your surname interests to the 'Oxfordshire Surnames Interest List' (OXSIL – [www.oxsil.org.uk](http://www.oxsil.org.uk)). Besides reaching a much larger potential audience, OFHS members may add up to 20 surname interests, and e-mail addresses are concealed to avoid spam). *If you do not have internet access, we can post your surnames on OXSIL for you and forward queries to you but please clearly request this.*

Please write **CLEARLY IN BLOCK CAPITALS**.

Dates should indicate period of interest, i.e.

c.1750 meaning about 1750; <1850, meaning pre 1850; >1855, meaning after 1855; 19c, meaning 19th century.

[Please do not use dates such as 1766 - 1800 as the Period Column only holds five characters.] If unsure of town etc. use "any"; or county use "all".
